

05.01.20 - Winter - What clothes do we wear in winter?

Our new topic is 'Winter'. Let us think about what clothes we wear in the winter compared to what we wear in the Summer. Tell your grown up what your ideas are first. Below, draw/paint/collage/playdough clothes that people would wear in the winter.

What are the differences of these clothes to the Summer?

Challenge: Have a go at labelling these clothes.
